REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest first electrically powered mechanism for pivoting said swingable structure between an operative position and a folded position extending generally transverse to said operative position, and a second electrically powered mechanism operatively interconnecting said swingable structure and said mirror housing for moving said mirror housing relative to said fixed support or electrically powered motion transmitting assemblies for selectively (1) pivoting said swingable structure about said upright axis between said operative and said folded positions, and (2) moving said extendable structure to any said adjustment position or at least one powered motion transmitting assembly operatively interconnected with at least one of the base and the mirror housing for selectively moving the mirror assembly between (1) the folded and unfolded positions and (2) the unextended and extended positions as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
